

ABOUT ME

Need a happy, fun, or friendly character? Want your commercial to make your customers smile or invoke happiness and fond memories when they think of your brand? Need a narration for your audiobook, magazine article, e-learning, corporate or explainer video that's friendly, engaging and easy to listen to? I've got you covered!

I guarantee voice overs so good, they'll make you smile!

Whether you need just a dash of friendly in your professional presentation or a full on bubbly character for your cartoon, I always deliver 'voiceovers with a smile.'
